PROJECT

19. Does the project duplicate or compete with other facilities in the same geographical area? ○ Yes ○ No
If yes, describe methods to verify need for this project below

SCOPE

20. Project Scope: Describe the proposed acquisition or development project. List specific outcomes.

21. Indicate the current state of design at the time of application

○ Predesign ○ Design Development ○ Permitting
○ Schematic Design ○ Construction Documents

PROPERTY

22. Indicate the current status of parcel acquisition at the time of application, if checked in #13.

- ○ Appraisal Complete
- ○ Purchase Agreement Drafted
- ○ Land will be open for public use immediately after acquisition or within 3 years
- ○ Parcel Already Purchased

23. If in #13 you checked acquisition or acquisition and development, will the parcel be open for public use immediately after acquisition or within 3 years? Please explain below:

24. Park or Outdoor Facility Name

25. Map Coordinates: LAT: _____ , LONG: - _____

26. Size of Park: Total Acres

27. Size of area of potential effect (acres)

28. Name of Property Owner

29. Ownership ○ Fee Simple ○ Lease ○ Easement ○ Other

30. Applies to ○ Entire Park ○ Portion of Park

31. Existing LWCF Site ○ Yes ○ No If yes, grant # 35-

If "Yes" checked, please provide supporting information as requested in Question 46 below.

32. Describe any leases, easements (including surface and subsurface utilities, rights, or interests).

PROPERTY

33. Describe the property and its current uses, including acreage, terrain, unique features, and usage history.

34. Schedule of Use: Indicate the operating hours the facility is open to the public

COMMUNITY BENEFIT

35. Describe the community that will benefit from this project. Include relevant demographic and economic data.

36. Estimate the number of people and/or types of user groups that will have access to recreational opportunities as a result of this project. Include methods for determining this estimate.

COMMUNITY BENEFIT

37. Does the project design conform with the appropriate current design standards for the Architectural Barriers Act of 1968 (Public Law 90-480); Section 504 of the Rehabilitation Act of 1973, as amended; and the Americans with Disabilities Act as required by the LWCF Act? ◯ Yes ◯ No
Outline any barriers to access that this project would address or improve.

38. Does the project offer close to home opportunities for all citizen groups in the project area? ◯ Yes ◯ No
If yes, describe how the project will benefit the public and meet public demand below. Include identification of this project in planning document.

39. Does the project improve opportunities for special populations such as youth, elderly, low-income, minority, disabled, etc. in project area? ◯ Yes ◯ No If yes, describe below:

COMMUNITY BENEFIT

40. Does the project provide active outdoor recreation opportunities promoting physical well-being within the sponsoring entity's service area? ○ Yes ○ No If yes, describe below

ENVIRONMENTAL RESOURCES

41. Describe how potential impacts to wildlife, natural resources, and cultural resources were evaluated during the initial project-scoping phase. Include any positive impacts this work will have on these resources.

NEEDS

42. Describe the project's urgency and why it is being pursued at this time. What was the process that identified it as a priority. Include public engagement activities, such as public meetings, comment periods, surveys, etc.

PLANNING

43. Evidence of Planning: Is the project supported by a publicly reviewed local, county, regional or state planning document? ◯ Yes ◯ No. List all plans this project supports. If yes, please provide a copy of that document.

44. Initial Design Plan: Has an initial design/site plan been developed?
◯ Yes ◯ No. List all plans this project supports. If yes, please provide a copy of the plans.

PUBLIC ENGAGEMENT

45. Outline any concerns identified as part of public engagement. Explain how these will be addressed.

ENERGY CONSERVATION

46. Does the project include energy conservation measures in facility design or construction? ○ Yes ○ No
If yes, describe below

PROJECT MANAGEMENT

47. Outline any LWCF funding received in the last five years in your jurisdiction, and for any LWCF grants specifically at this park (Question 31), and if the project(s) were completed on time, on budget and within scope. Applicants without funding provide examples of similar grant funded projects that were completed on time, on budget and within scope. Include project title, year of award, grant amount and grantor.

SUSTAINABILITY

48. Does the project include site suitability considerations to minimize negative impacts and enhance sustainability?
○ Yes ○ No If yes, describe below

PARTNERSHIPS

49. Does the proposal involve partnerships with other entities to provide outdoor recreation opportunities? (E.g., Youth Conservation Corps, Outdoor Equity Fund) ○ Yes ○ No If yes, describe below

SCORP

50. List the Statewide Comprehensive Outdoor Recreation Plan (SCORP) priorities that this project will advance. How does the project align with the SCORP priority?

CERTIFICATION

51. I hereby certify that the information contained in this application and supporting documentation is true and correct to the best of my knowledge. I understand this application will be rated on the basis of the information provided and incorrect or incomplete documentation will result in rejection of the application. I certify all required documentation is included herein and matching funds in the amount of $ _____ are available for this project. I further certify the project will be maintained as a viable outdoor recreational area in perpetuity. The EMNRD, State Parks Division shall be notified immediately of any changes in this signature authority. Execution of this document constitutes an authorized signature on behalf of the sponsoring entity.
