THE GERT TOWN COMMUNITY FUND

The Gert Town Community Fund

To enhance the quality of life for people in the Gert Town Community.

OPEN DATE 2026
DUE DATE 2026

Purpose

The purpose of the Gert Town Community Fund, a Donor Advised Fund of The Greater New Orleans Foundation, is to enhance the quality of life for people in the Gert Town Community. An advisory committee of business and civic leaders meet annually to review grant requests in various program areas.

Program areas include:

- children and youth
- housing
- older adult services including transportation
- community leadership capacity building
- adult education and workforce development
- legal services (successions, taxes, or other housing matters)
- community beautification projects (i.e. tree planting, greenspace maintenance, and neighborhood cleanup).
- economic development (capacity building for entrepreneurs in Gert Town)

Only ONE application per organization will be accepted.

The Fund will support nonprofit organizations that serve the Gert Town Community. Please see the map below or contact The Greater New Orleans Foundation for more details on the geographical boundaries for the fund.

Proposal

The Gert Town Community Fund accepts only electronic application submissions through the Foundation's online portal. The Greater New Orleans Foundation's technology partner, Foundant, has created a brief tutorial for applicants that may be viewed here. It is highly recommended that all applicants review this video before beginning a new application in order to better understand the electronic submission process. Proposals that are not submitted electronically may not be considered. All applications must include the following:

Organization Information – describe the work of your organization by addressing each of the following topics:

- organization history and mission
- current programs and accomplishments
- organizational budget

Funding Request – describe the program for which you seek funding by including the following:

- a statement of the program's primary purpose and the issue that you are seeking to address
- the population that you plan to reach, how you plan to inform it, how it will be involved, and how it will benefit from the program
- the number of people who will be served, should this grant be approved
- strategies that you will use to implement your program
- staff and organizational capacity to deliver this program

- anticipated length and timeline of the program
- organizations you are collaborating with that also serve Gert Town
- program budget
- a list of other sources of funding for this program

Evaluation – explain how you will measure the effectiveness of your program, including:

- your criteria for success
- the outputs and outcomes you expect to achieve by the completion of the program
- your plans for future funding and how will you sustain the program

In addition, you must include the following attachments:

- current and prior year operating budget, including expenses and revenue
- program budget and budget narrative, including a list funding sources that you have asked to support this program
- a list of board of directors
- a copy of your most recent audited financial statements or, if not available, a copy of your most recent IRS forms 990, or 990EZ/Accountant Statement

Grantmaking Schedule

Grant requests must be received by 11:59 pm on the deadline date. The deadline and notification dates are:

Application deadline:
2026

Notification date:
2026

Reporting Requirements

If a grant is awarded, the grantee is required to submit interim and final programmatic and financial reports outlining the use of grant funds and the impact of the grant on Gert Town residents and the community. Click here for reporting guidelines.

Service Area Map

Approximate boundaries: the geographic granting area is roughly from South Carrollton Avenue on the west side (between Fig and Edinburgh streets) to College Court on the east side (between Walmsley and Clio streets).

To Apply

The Gert Town Community Fund accepts only electronic application submissions through the Foundation's online portal. The Greater New Orleans Foundation's technology partner, Foundant, has created a brief tutorial for applicants that may be viewed here. It is highly recommended that all applicants review this video before beginning a new application in order to better understand the electronic submission process.
